Sir:

Pursuant to 37 C.F.R. § 1.56 Applicants submit herewith a copy of the European Search Report (in German and in English), a PTO-1449 form and copies of the information listed thereon. The European Search Report issued in connection with a European patent application that is a counterpart of the above-identified U.S. patent application. With respect to the non-English information, English language translations or English language equivalents have been supplied where available. Otherwise, the description in the English language abstract and /or the English versions of any attached Search Reports will function as concise summaries of the relevance of the information.

Applicants point out that a copy of the the document entitled "Investigation of the

effectiveness of various filter types for the filtration of aluminum melts I,” cited in the European Search Report, was already cited and submitted in the Information Disclosure Statement filed October 18, 2002.

It is requested that the information cited in the accompanying PTO-1449 form be considered herein. This Supplemental Information Disclosure Statement is filed after the mailing date of a first Office Action on the merits and after three months of the mailing date of March 24, 2003, of the European Search Report. Therefore, please charge the \$ 180.00 fee set forth in 37 C.F.R. 1.17(p) and any additional fee to Deposit Account 16-2500.

Respectfully submitted
